

Instructions for Jewelry Drawer Door Mount Brackets

1. Insert bracket onto jewelry drawer so that the bracket fits into the recess on the side of the drawer, insuring that the top portion overlaps the outside of the drawer. Screw the bracket to the drawer using the supplied screws.
2. Apply double sided tape to the front of the bracket.
3. Place the drawer front against the bracket insuring that the drawer front is centered and level. Screw the drawer front to the bracket with supplied screws.
