

WELLS SINKWARE (WELLS) extends a warranty for all WELLS products excluding undermount stainless steel sinks, namely china lavatories, glass vessels and mounting hardware, basket strainers and sink bottom grids for stainless steel sinks, against material and workmanship defects to the original purchaser for one year from date of installation or date of use.

Wells will repair, replace or make appropriate adjustment where Wells' inspection discloses any such defects occurring in normal usage within one (1) year after installation, which WELLS in its sole discretion will determine, when this sink is returned, prepaid, and insured, with proof of purchase date to WELLS. The purchaser shall bear the expense of the return shipment.

WELLS is not liable under this warranty for loss of this sink or other incidental, special or consequential costs, expenses or damages incurred, including, but not limited to, such damages resulting from the expenses involved in removing and replacing this sink prior and subsequent to warranty service. Some states or provinces do not allow the exclusion or limitation of incidental or consequential damages, so the above limitation may not apply to you.

This warranty gives specific legal rights, and you may also have other rights, which vary from state to state or province to province.
