

## KOYO Legs

- Legs are sold in sets of 4 pcs. Screws are not included, please order separately, 6 pcs. per leg required.
- Please order levelers, spacers, and casters separately.
- Meets or exceeds ANSI/BIFMA requirements.
- Static load capacity exceeds 500 lbs. per leg.
- Please note that each leg must be adjusted separately.
- An ideal solution where adjustability is only needed periodically, for instance when a new employee occupies a desk.

- Legs are conveniently marked with a scale to keep track of height level.
- Leveler plus spacer equals the same height as casters (77 mm).
- Please note that levelers, spacers, and casters are sold individually (per pc.)

**KOYO Leg ø60 mm**, with 300 mm (11 3/4") of adjustment. Min. height with leveler installed is 640 mm (25 3/16"), max. height is 940 mm (37"). Spacers/casters add to this height accordingly.

**Levelers, spacers, and casters are sold separately.**
