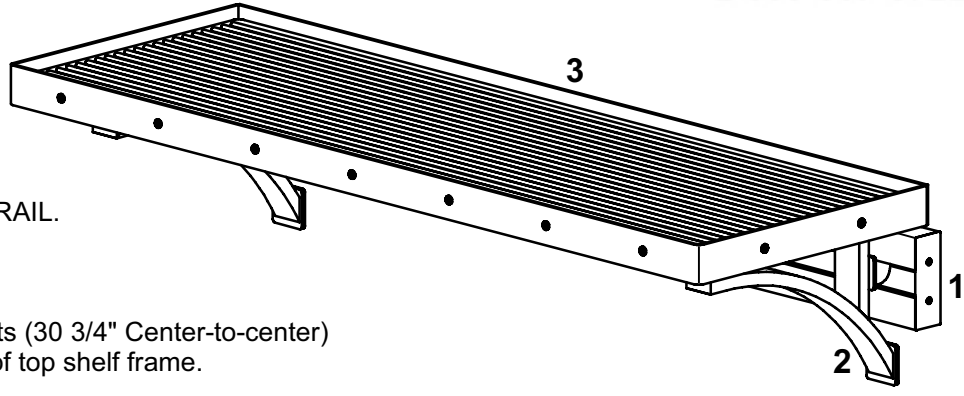
ASSEMBLY INSTRUCTIONS

CONTENTS:

30104NR is an add-on kit to existing pegRAIL sets and contains no RAIL.

an EefaCo. Store
1-800-667-8721

(1) 36" RAIL w/ (2) End Plates (Not in NR Kits)
(1) Mounting Plate Pre-Drilled 36" (Not in NR Kits)
(1) Screw Pack (Not in NR Kits)
(2) Top Shelf Brackets
(1) Kitchen Top Shelf 36"



1 RAIL

See installation instructions packaged with RAIL.

2 TOP SHELF BRACKETS

Tip shelf brackets into RAIL. Space brackets (30 3/4" Center-to-center) so that they align with channels on bottom of top shelf frame.

3 TOP SHELF

Tip rear of shelf frame (rear does not have decorative screws) so that rear shoulder screws on shelf drop in rear keyhole slots on brackets. Then set front of shelf frame down onto brackets and gently slide shelf frame toward wall. Pin screws will drop down into front holes in brackets, locking frame in place. Drop wire shelf into frame.
