

7902S

Concerto Document Holder

A natural accessory to the Concerto, Xtend or Tempo product lines, the document/tablet holder is developed to place the document or tablet at the optimal ergonomic viewing position. The fully adjustable holder is designed to minimize eye and neck strain resulting in user comfort and increased productivity.

7902S series

Features	Benefits
Supports the document or tablet directly under the monitor	Ergonomically correct viewing position of documents for documents and tablets
Finger Adjustable	Easy adjustment to ensure a comfortable viewing angle
Mounts between the monitor and monitor arm VESA plate	Fits both VESA 75mm and 100mm flat panels
Supports document of various sizes and tablets with a minimum width of 6.75"	Helps keep work surface clear
Swing motion	Stores out of the way when not in use
Black or silver powder paint finishes available	Match your aesthetic look

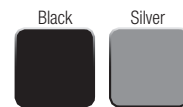

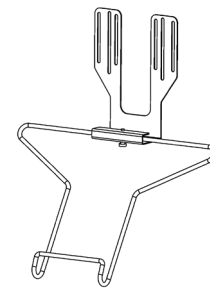

Concerto Document Holder 7902 series
