

Dimensions (Actual Size)

Rough-in Opening: 14 1/2" x 28 3/4" x 3 1/2"

Cabinet Only: 14 1/8" x 28 5/8"

With Trim: 15 5/8" x 30 1/4"

Door Only: 13 7/16" x 27 7/8"

Additional Information

- Cabinet may be recessed into any wall with standard 16" center studs (extends 1 1/2" into the room) OR surfaced mounted (extends 6" into the room).
- Recommended to attach a 2" x 4" horizontal wooden cleat to studs, level with the bottom of opening for support when installing as recessed mount.
- Options include: Block or decorative trim, raised panel or flat door, and surface mount frame (necessary for surface mounting).
