Closet Mirror
S07835SC

NOTE: Due to this unit's size, a second person may be required to help support the mirror during installation.

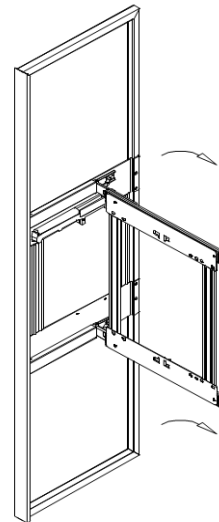

Step 1: Open mechanism on back of mirror

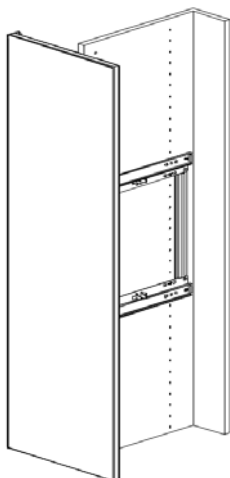

Step 2: Slide out mounting frame

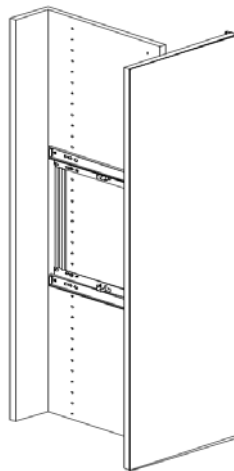

Step 3: Pivot frame perpendicular to mirror

Step 4: Flip unit over to mount for Left side opening

Step 5: Flip unit over to mount for Right side opening.

Step 6: Position height of mirror in accordance with end user's desired view. Fasten using four (4) enclosed Euro Screws.
